

Ngarrimilli Karndorr Indigenous Public Art Project

Workshop 2

Date Sunday 4th June

Time 1pm - 3pm Lunch Provided

Location Wunggurrwil Dhurrung Centre

We invite Indigenous Elders, Artists, Story tellers and all Indigenous People who would like to produce Public Art in Wyndham.

The Public Artworks will be installed on land adjacent to a path that connects Wyndham Indigenous Community Centre, Wunggurrwil Dhurrung, to the nearest bus stop on Halladale Ave.

You don't have to be an artist to participate.

In this 2nd workshop we will walk along part of the pathway, continue story telling and our connections to nature and land etc. to prompt concepts and ideas for public artworks.

The installed artworks will create a pathway that intrigues, challenges and provides an understanding of local Indigenous cultures.
