

DEBUNKING THE VOICE'S MYTHS AND MISCONCEPTIONS

Having a referendum on a **First Nations Voice to Parliament** is a chance to change the Constitution to enable First Nations people to be heard on matters that affect them. **Surf Coast Votes Yes** invites you to a **forum with two legal experts** share **what the Voice is really about** and hear them **debunk the many myths and misconceptions** and ensure that you can **make an informed vote** and/or be equipped for discussions with your networks.
