

# Ngarrimilli Karndorr Indigenous Public Art Project

## Workshop 3

**Date** Sunday 16th July

**Time** 1pm - 3pm

**Location** Wunggurrwil Dhurrung Centre

We invite Indigenous Elders, Artists, Story tellers and all Indigenous People who would like to produce Public Art in Wyndham.

You don't have to be an artist to participate.

In this 3rd workshop we will consider different styles of art and how they tell a story. We will talk about our stories and start putting together some ideas for art works.

The installed artworks will create a pathway that intrigues, challenges and provides an understanding of local Indigenous cultures.
